

Earned Options Appeal Application

Name: _____

Class: _____

Class Average	Absences	Lates	Assignments with Zero

Based on the above information, I am ineligible for earned options. However, I am asking Regina Christian School's administration to consider me for an appeal due to the following extenuating circumstances:

Should your appeal be accepted, please indicate your desired intention for the final exam:

___ **Recommend:** I will not write the final exam. My final report card mark will be my final course mark for all term work with an exemption on the final exam.

___ **Boost/Safety Net:** I will write the final exam. My final report card mark will not be negatively impacted by my final exam mark as long as my final exam mark is within 10% of my class mark entering into the exam. As well, should my final exam mark be higher than my class mark entering into the final exam, my mark will be boosted accordingly as per the course syllabus.
