CELEBRATING GOD'S FAITHFULNESS FOR 40 YEARS

God has been so faithful to RCS, from opening our doors in 1984 to growing our student body to over 750 students. We are no longer a small school. God has increased our borders, and it is time to expand our capacity to better serve our students' educational and spiritual needs.

Classrooms have been modified, and temporary walls have been built. We have done everything we can to accommodate as many students as possible at our current campus, but the demand for Christian education remains strong here in Regina.

Last Spring, RCS had the opportunity to purchase a second campus on Douglas Avenue. We are excited to be moving our preschool up to grade 3 classes to our new facility for the 2025-26 school year.

Know therefore that the Lord your God is God; he is the faithful God, keeping his covenant of love to a thousand generations of those who love him and keep his commandments.

BRIGHT HOPE FOR TOMORROW - CAPITAL CAMPAIGN

Following the acquisition of our new early years campus on Douglas Avenue, we are launching a capital campaign goal of raising 1.5 million dollars by the end of 2027.

Will you partner with us to see Christian Education expand in Regina?

Your much-needed contribution to the Bright Hope for Tomorrow Capital Campaign will expand our capabilities to deliver quality, Christ-centered education to many more families and continue to meet our students' educational and spiritual needs. Your support will also help us to further expand our programming and development at both our main campus on 23rd Avenue and our new early years campus on Douglas Avenue.

APRIL 2024 GUATEMALA MISSIONS TRIP

RCS 2024 Guatemala Missions Team

Over the Easter break, a group of high school students from RCS travelled to Guatemala to volunteer with Impact Ministries. Their itinerary included visiting an orphanage, leading Vacation Bible School for Vida Nueva school, bonding with sponsored children at family homes, and immersing themselves in the local culture. Their time in Guatemala has left an indelible mark on their lives, transforming them forever, having seen the power of God through many different experiences and answered prayers.

From March 24th to April 4th, three of our RCSA board members, Sune Minnaar, Brad Taylor, and Thomas Bobier, also travelled to Guatemala to see the amazing work that our school community supports. They assisted in the installation of a play structure and attended a dedication ceremony for Vida Nueva school. This ceremony marked the culmination of the school's construction and honoured the impactful work that God has accomplished through this ministry for the children and families of Tactic over the years.

EASTER MISSIONS OUTREACH HERE AT HOME

During the Easter break, nineteen students from grades 7 to 12 gathered at Gentle Road Church to organize a Daily Vacation Bible School (DVBS) for local children. The students not only provided breakfast, but they also facilitated games, dramas, skits, shared Bible stories, led worship sessions, and engaged in crafting activities with the children.

In the afternoons, the students extended their service to different corners of the city, including the North Central Family Centre and The Salvation Army. Additionally, they embarked on a prayer walk around the Legislative Building. Special thanks to our Chaplain, Tim Thiessen, and all the parents who generously assisted with transportation.
