YOUTHQUAKE

Youth Quake 2025

It feels like a retreat because we have one speaker, one worship band, and one theme that drives our teaching throughout all the main sessions. It's youth group focused where your group will stay together in our dorms and eat together in our dining hall. Also, after each main session you'll meet with your group for "Youth Group Time" where you can discuss the message with your students and reconnect as a group. This lends itself to a common experience that brings people together and helps deepen relationships.

While the retreat aspects provide so much, YQ is also much more than your average youth group retreat. With 2000+ people from across Canada, YQ has an incredible energy to it. With a mix of concerts, breakout sessions, activities, and our four main sessions, YQ becomes a perfect combination of festival and retreat. Join us this May for a weekend you won't forget!

2025 THEME: GENESIS 1:31

Join us for Youth Quake 2025 as we explore the theme of In the Beginning with Genesis One. This year, we will explore the powerful truth that each of us is made in the image of God, designed for a unique and meaning ful relationship with Him. Drawing from the Genesis creation account, we'll dive into what it means to be created with intention and purpose. Just as God spoke the world into existence and declared His creation "very good," He has formed each of us with care, calling us to reflect His character, creativity, and love in the world. Through interactive sessions, worship small group discussions, we hope you will be encouraged to embrace your identity as image-bearers of God. Together, we'll explore how being made in God's likeness calls us to grow in our relationship with Him and how to impact the world around us intentionally.

"God saw all that he had made, and it was very good." Genesis 1:31
